About Us:

RigLine Oilfield Supplies – Precision. Performance. Partnership.

At **RigLine Oilfield Supplies**, we are more than just a trading company — we are your strategic partner in delivering reliable, high-quality solutions for the oilfield and industrial sectors. Founded with a mission to serve the ever-evolving needs of the energy, construction, and industrial markets, RigLine offers a wide range of products including **oilfield equipment, hydraulic and pneumatic components, industrial fittings, pipes, hoses, and personal protective equipment (PPE)**.

With a strong foundation built on years of industry experience, we take pride in offering **durable, tested, and certified products** under our own trusted brand. Our warehousing and logistics infrastructure in Saudi Arabia ensures **swift availability and timely delivery**, while our global sourcing from trusted manufacturers ensures international standards at competitive pricing.

What sets RigLine apart is our commitment to:

- **Quality Assurance** – Every product we offer meets stringent performance and safety standards.
- **Client-Centric Approach** – We believe in building long-term relationships through personalized service and support.
- **Technical Expertise** – Our knowledgeable team provides product guidance and after-sales service that aligns with your operational needs.
- **Complete Solutions** – From pipe fittings to safety gear, we deliver everything your project or plant requires — all from a single, dependable source.

Whether you are in oil & gas, petrochemicals, construction, or industrial maintenance, RigLine Oilfield Supplies is your go-to source for premium supplies that power performance and protect people.

Built on trust, driven by quality — that's the RigLine promise.

Mission

At RigLine Oilfield Supplies, our mission is to provide dependable, high-quality industrial and oilfield products that support the growth, safety, and operational efficiency of our clients. We are committed to delivering practical solutions with a focus on reliability, service excellence, and long-term partnerships.

Vision

To be recognized as a trusted and respected name in the oilfield and industrial supply industry, offering innovative products and dependable service that contribute to the success of businesses across the region.

Core Values

At RigLine Oilfield Supplies, our operations are guided by a strong commitment to reliability and quality in every product and service we offer, a customer-first mind set that drives us to exceed expectations, uncompromising integrity in all our partnerships and transactions, a continuous drive for innovation to meet evolving industry needs, a deep-rooted focus on safety in every aspect of our work, and a collaborative team spirit that values mutual respect, shared growth, and long-term success.

Health, Safety & Environment (HSE) Policy

Purpose

The purpose of this HSE Policy is to affirm Rigline Oilfield Supplies EST's commitment to safeguarding the health and safety of its employees, customers, contractors, and the community, while minimizing the environmental impact of our operations.

Scope

This policy applies to all employees, contractors, visitors, suppliers, and stakeholders engaged in the activities of Rigline Oilfield Supplies EST.

HSE Commitments

Rigline Oilfield Supplies EST is committed to:

- Complying with all applicable health, safety, and environmental laws, regulations, and standards.
- Providing a safe and healthy workplace to prevent accidents, injuries, and occupational illnesses.
- Supplying PPE and safety products that meet or exceed international standards.
- Promoting environmental responsibility by reducing waste, conserving resources, and preventing pollution.
- Training employees and raising awareness to ensure safe working practices and environmental protection.
- Preparing for and responding effectively to emergencies.
- Consulting with employees and stakeholders on HSE matters to encourage participation and feedback.
- Striving for continuous improvement in HSE performance through monitoring, audits, and reviews.

Responsibilities

- Management: Ensure the implementation of this policy, provide resources, and lead by example.
- Employees: Follow safety rules, report hazards, and take personal responsibility for safe conduct.
- Suppliers/Contractors: Comply with Rigline's HSE requirements and deliver products/services safely.

Continuous Improvement

Rigline Oilfield Supplies EST will monitor and evaluate HSE practices, review incidents and near misses, and regularly update this policy to ensure continual improvement in safety and environmental performance.

Rigline Oilfield Supplies affirms that this Health, Safety & Environment (HSE) Policy reflects our values and commitment to conducting business with integrity, fairness, and respect for people.

Anti-Bribery & Anti-Corruption Policy

Purpose

The purpose of this Anti-Bribery & Anti-Corruption Policy is to ensure that Rigline Oilfield Supplies EST conducts its business with integrity, transparency, and in compliance with Saudi Arabian laws and international standards. Rigline maintains a zero-tolerance approach towards all forms of bribery and corruption.

Scope

This policy applies to all employees, management, contractors, suppliers, agents, and any third parties acting on behalf of Rigline Oilfield Supplies EST

Commitments

Rigline Oilfield Supplies EST is committed to:

- Prohibiting the offering, giving, solicitation, or acceptance of any bribe, kickback, facilitation payment, or other improper advantage.
- Ensuring that gifts, hospitality, or expenses are reasonable, proportionate, and not intended to influence business decisions.
- Complying with all applicable anti-bribery and anti-corruption laws in Saudi Arabia and internationally.
- Maintaining accurate records and financial reporting to prevent concealment of bribery or corrupt practices.
- Training employees on ethical business conduct and reporting obligations.
- Implementing strong internal controls to detect and prevent corruption.

Responsibilities

- Management: Establish, communicate, and enforce this policy, and lead by example.
- Employees: Must comply with this policy and report any suspected bribery or corruption immediately.
- Suppliers/Agents/Contractors: Required to adhere to Rigline's standards of integrity and anti-bribery principles.

Reporting Violations

Rigline Oilfield Supplies EST encourages employees and partners to report any suspected cases of bribery or corruption. Reports will be handled confidentially, and retaliation against whistleblowers will not be tolerated.

Continuous Improvement

This policy will be reviewed periodically to ensure its effectiveness and updated in line with regulatory requirements and best practices.

Code of Ethics & Business Conduct

Purpose

The purpose of this Code of Ethics & Business Conduct is to establish clear standards of ethical behavior and professional conduct for Rigline Oilfield Supplies EST. It reflects our commitment to integrity, fairness, and respect in all business dealings.

Scope

This Code applies to all employees, management, contractors, suppliers, and business partners representing Rigline Oilfield Supplies EST.

Commitments

Rigline Oilfield Supplies EST is committed to:

- Integrity in Business: Conducting all activities with honesty, fairness, and transparency.
- Compliance with Laws: Adhering to all applicable Saudi Arabian regulations and international standards.
- Respect for Human Rights: Supporting fair labor practices, equal opportunities, and a safe working environment.
- Anti-Bribery & Anti-Corruption: Prohibiting bribery, facilitation payments, and any form of corruption.
- Confidentiality: Safeguarding company, client, and partner information.
- Conflict of Interest: Avoiding situations where personal interests conflict with business duties.
- Health, Safety & Environment (HSE): Promoting safe practices and minimizing environmental impact.
- Fair Dealing with Suppliers & Clients: Building relationships based on trust, respect, and ethical conduct.

Responsibilities

- Management: Promote and enforce this Code throughout the organization.
- Employees: Comply with this Code and report any violations.
- Suppliers/Partners: Align with Rigline's ethical standards when working with the company.

Reporting & Accountability

Any employee, supplier, or partner who becomes aware of unethical or illegal practices must report them to management. Reports will be handled confidentially, and retaliation against whistleblowers will not be tolerated.

Continuous Improvement

This Code will be reviewed periodically to ensure its relevance and effectiveness in guiding ethical business practices.

Grievance Mechanism Policy

Purpose

The purpose of this policy is to provide Rigline Oilfield Supplies employees with a fair, transparent, and confidential mechanism to raise complaints or concerns related to workplace conditions, human rights, safety, or ethical practices. This process ensures that all grievances are addressed promptly, fairly, and without retaliation.

Scope

This policy applies to all employees of Rigline Oilfield Supplies, regardless of role, level, or location. It covers grievances related to:

- Working hours, wages, or benefits.
- Workplace health and safety conditions.
- Discrimination, harassment, or unfair treatment.
- Breaches of company policies, including Human Rights, HSE, and Anti-Bribery.

Definitions

- **Grievance:** A complaint, concern, or report raised by an employee regarding work conditions, treatment, or any violation of rights.
- **Complainant:** The employee who raises a grievance.

Accessibility

Employees may raise grievances in the following ways:

- Verbal report to supervisor or manager
- Written complaint submitted to HR
- Email to HR/management
- Confidential complaint box (where available)

Responsibilities

- **Management:** Ensure the grievance mechanism is implemented effectively.
- **HR Department:** Maintain grievance records, oversee investigations, and ensure compliance with labor laws.
- **Employees:** Use this mechanism responsibly to report genuine grievances.

Record Keeping

HR will maintain a confidential log of all grievances, including the nature of the complaint, action taken, and resolution status, for continuous monitoring and improvement.

Procedure

Reporting a Complaint

- Employees may raise grievances verbally or in writing.
- Complaints can be submitted to a direct supervisor, the HR department, or management.
- A complaint box/email may also be provided for confidential submissions.

Confidentiality

- All complaints are treated with strict confidentiality.
- No employee will face retaliation or disciplinary action for raising a genuine concern.

Review and Investigation

- HR and management will acknowledge receipt of the grievance.
- A fair and objective review will be conducted to establish facts.
- Where necessary, corrective or disciplinary action will be taken.

Resolution and Feedback

- The complainant will be informed of the outcome of the investigation.
- The company will take corrective measures to prevent recurrence of similar issues.

Continuous Improvement

This policy will be reviewed annually, or earlier if required, to align with Saudi Labor Law, ISO standards, and industry best practices.

End Note

Rigline Oilfield Supplies affirms that this Grievance Mechanism Policy reflects our values of integrity, fairness, and respect for people, and our commitment to ensuring a safe and transparent workplace.

Human Rights Policy

Purpose

This policy defines Rigline Oilfield Supplies' commitment to respecting, protecting, and promoting human rights in all areas of our operations, supply chains, and business relationships.

Scope

This policy applies to all employees, contractors, suppliers, and business partners engaged with Rigline Oilfield Supplies.

Our Commitment

Rigline Oilfield Supplies is committed to:

- A. Upholding human rights in line with the laws and regulations of the Kingdom of Saudi Arabia and recognized international best practices
- B. Ensuring fair, ethical, and responsible treatment of all individuals connected to our business.
- C. Integrating human rights principles into our daily operations, business decisions, and supplier relationships.

Grievance & Reporting

Employees and stakeholders may raise concerns related to human rights without fear of reprisal. Rigline Oilfield Supplies ensures confidentiality, fair handling, and timely resolution of all reported issues.

Responsibility

The management of Rigline Oilfield Supplies is responsible for ensuring that this policy is communicated, understood, and implemented at all levels of the organization.

Key Principles

A. Equal Opportunity & Non-Discrimination

We provide equal opportunities for employment and career development, free from discrimination based on race, religion, gender, nationality, disability, or other personal characteristics.

B. Health & Safety

We are committed to providing a safe and healthy work environment in accordance with Saudi labor law and industry standards.

C. Fair Employment Practices

We support fair recruitment, working conditions, wages, and benefits. Forced labor, bonded labor, human trafficking, or child labor are strictly prohibited.

D. Freedom of Expression & Communication

Employees are encouraged to voice concerns, share feedback, and engage in open communication with management without fear of retaliation.

E. Ethical Business Conduct

We conduct business with honesty, integrity, and respect, and we expect the same ethical standards from our suppliers and partners.

Continuous Improvement

We will regularly review and improve our practices to ensure ongoing compliance with Saudi labor laws and evolving human rights standards.

Rigline Oilfield Supplies affirms that this Human Rights Policy reflects our values and commitment to conducting business with integrity, fairness, and respect for people.

Quality Policy

Purpose

The purpose of this Quality Policy is to define Rigline Oilfield Supplies EST's commitment to delivering high-quality products and services that meet or exceed customer expectations, comply with applicable legal and regulatory requirements, and continuously improve our performance.

Scope

This policy applies to all employees, departments, suppliers, and stakeholders engaged in the operations of Rigline Oilfield Supplies EST.

Quality Commitment

Rigline Oilfield Supplies EST is committed to:

- Supplying reliable and safe products that conform to international standards and client requirements.
- Implementing and maintaining a Quality Management System aligned with ISO 9001.
- Ensuring timely delivery and efficient service for all clients.
- Training and developing employees to enhance competence and performance.
- Maintaining open communication with clients, suppliers, and partners to ensure satisfaction.
- Continuously monitoring, reviewing, and improving processes to achieve operational excellence.

Responsibilities

- Management: Ensure implementation of this policy and allocate resources for quality improvements.
- Employees: Follow quality procedures and take responsibility for the quality of their work.
- Suppliers/Partners: Comply with Rigline's quality standards and deliver materials/services that meet specifications.

Continuous Improvement

Rigline Oilfield Supplies EST will measure performance through regular audits, client feedback, and management reviews to identify opportunities for improvement.

Rigline Oilfield Supplies affirms that this Quality Policy reflects our values and commitment to conducting business with integrity, fairness, and respect for people.

Sustainability & Environmental Policy

Purpose

The purpose of this Sustainability & Environmental Policy is to define Rigline Oilfield Supplies EST's commitment to protecting the environment, promoting sustainable practices, and supporting the long-term well-being of the communities in which we operate.

Scope

This policy applies to all employees, management, suppliers, contractors, and stakeholders engaged with Rigline Oilfield Supplies EST.

Commitments

Rigline Oilfield Supplies EST is committed to:

Complying with all applicable environmental laws, regulations, and standards in Saudi Arabia and internationally.
Reducing environmental impacts through responsible sourcing, efficient operations, and waste minimization.
Promoting energy efficiency, water conservation, and pollution prevention.
Encouraging recycling and reuse practices wherever feasible.
Supporting suppliers and partners that adopt environmentally responsible practices.
Raising awareness among employees on sustainability and environmental protection.
Engaging with communities to contribute to social and environmental development.
Continuously reviewing operations to improve sustainability performance.

Responsibilities

- Management: Ensure resources, systems, and leadership are in place to implement this policy.
- Employees: Follow environmentally responsible practices and contribute to sustainability initiatives.
- Suppliers/Contractors: Align with Rigline's sustainability and environmental standards.

Continuous Improvement

This Policy will be reviewed periodically to ensure its relevance and effectiveness in guiding sustainable and environmental practices.

Working Hours & Rest Policy

Purpose

The purpose of this policy is to ensure that Rigline Oilfield Supplies maintains compliance with applicable labor laws and promotes a safe, fair, and respectful working environment. This policy sets out our commitment to regulating working hours, overtime, rest periods, and breaks in line with legal requirements and best practices.

Scope

This policy applies to all employees, contractors, and staff members of Rigline Oilfield Supplies, across all operations and functions.

Policy Statement

Rigline Oilfield Supplies is committed to:

- Complying with the Saudi Labor Law regarding maximum working hours, overtime, weekly rest days, and breaks.
- Providing employees with regular rest periods and breaks to maintain health, safety, and well-being.
- Ensuring that overtime work is voluntary, fairly compensated, and within the limits permitted by law.
- Respecting employee rights to rest, including weekly days off and public holidays as mandated.
- Preventing excessive working hours that may compromise employee welfare or safety.

Rigline recognizes that excessive working hours may increase health and safety risks; therefore, working schedules are managed in coordination with our HSE Management System (ISO 45001).

This policy is developed in compliance with the Saudi Labor Law and aligned with internationally recognized labor practices, ensuring fairness and consistency across Rigline operations.

Implementation

The following roles are responsible for implementing this policy:

- Managers and supervisors are responsible for planning and scheduling work in accordance with this policy.
- The HR function will maintain records of working hours, overtime, and rest days to ensure compliance.
- Any concerns related to working hours or rest periods may be raised by employees without fear of retaliation.

Responsibilities

- Management: Ensure compliance and proper scheduling.
- HR: Maintain records and monitor compliance.
- Employees: Follow assigned working hours and report any concerns.

Grievance Mechanism

Employees who feel their working hours or rest entitlements are not respected may report this directly to HR or management. All concerns will be addressed promptly and without retaliation.

Continuous Improvement

This policy will be reviewed annually, or sooner if labor laws or business requirements change. Rigline Oilfield Supplies will continue to align its practices with evolving standards to ensure fairness, compliance, and employee well-being.

End Note

Rigline Oilfield Supplies affirms that this Working Hours & Rest Policy reflects our values and commitment to conducting business with integrity, fairness, and respect for people.

Saudi Aramco E-Reference No. 0019497

Registration Approval Letter

July 31, 2026

Attention : RIGLINE OILFIELD SUPPLIES EST.

CR Number : 7050826101

Supplier Type: Materials Vendor Only

Country : Saudi Arabia

We are pleased to inform you that RIGLINE OILFIELD SUPPLIES EST. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10120490, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to MATERIAL-SUPPLIER-PORTAL@aramco.com.

The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Nasser Aljehani, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
